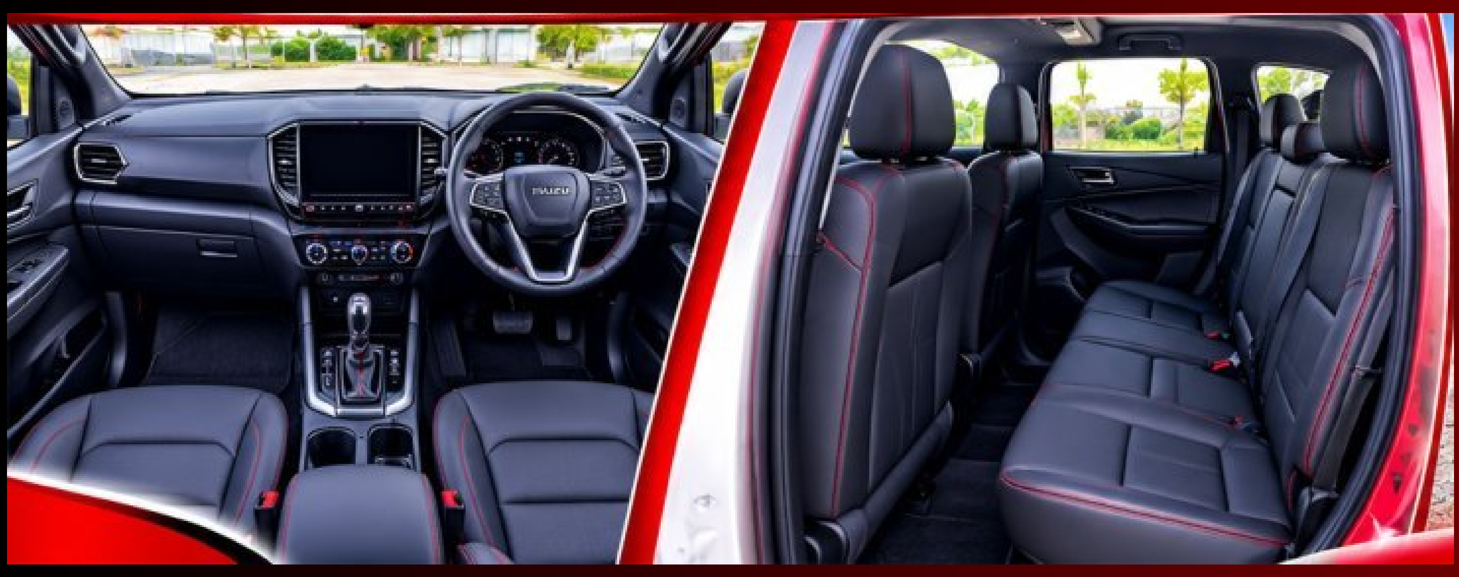
Unleash Your Adventurous Spirit with the X-Rider!

Discover the All-New Isuzu D-Max 3.0TD Double Cab AT35 4x4 (2024)

Introducing the X-Rider, a stunning blend of rugged capability and stylish design that has captured hearts since its debut in 2016. Originally launched as a limited edition, its overwhelming popularity has secured its place in our regular lineup. The X-Rider transforms the classic double cab into a head-turning masterpiece with a striking new front grille, eye-catching X-Rider decals, bespoke wheels, and bold black and red accents. Choose from four dynamic exterior colors: Splash White, Mercury Silver, Islay Grey, and Red Spinel, and make a statement wherever you go!

Interior Excellence Meets Practicality



Step inside the X-Rider and experience a world where sportiness meets functionality. The interior boasts luxurious black leather seats adorned with contrasting red stitching and an "X" motif on the headrests, creating an atmosphere of sophistication.

Enjoy the sleek gloss black and red accents throughout the cabin, complemented by a leather-wrapped multifunction steering wheel, also featuring striking red stitching. The 7.0-inch touchscreen infotainment system may be compact, but it's designed for speed and efficiency, ensuring seamless connectivity with Apple CarPlay and Android Auto. While we acknowledge that the infotainment system could use some improvement, it's built to keep up with your lifestyle demands.

Power Meets Precision

At the heart of the X-Rider lies the robust 1.9-litre turbodiesel engine, known as the RZ4E-TC GEN2, delivering an impressive 110kW of power and 350Nm of torque. Paired with a smooth 6-speed automatic gearbox, this powerhouse ensures that you're always ready to conquer any challenge, with a selectable four-wheel drive system that enhances your driving experience.

Ready to Take the Next Step?
